# **BROWNING AGENT**

*Quickly removes coffee and tea stains from carpet and upholstery.*

Net Contents: 1 Gallon

Browning Agent is designed to easily and quickly remove coffee stains, tea stains and cellulose browning from carpets and upholstery. Browning Agent works effectively on all types of carpets. Use Browning Agent to treat cellulose browning on Haitian cotton and undyed fringes on rugs. Also removes some light rust. pH 1.5-2.2.

***DIRECTIONS:***

**For Coffee, Tea And Water Stains:** Apply Browning Agent, full strength, directly to stain. Apply a second and possibly third application to remove deeply imbedded stains.

**Removing Cellulose Browning:** Spray a light mist of Browning Agent, full strength, over browned area. Use a carpet groomer or cotton towel to agitate and towel into carpet. Several applications may be necessary. It is sometimes helpful to force dry affected areas with a carpet dryer.

**Preventing Browning On Carpets:** For stains, apply with a sponge and blot. Do not over wet area. Mix 2 cups to one gallon of water in extractor tank. ALWAYS PRETEST IN AN INCONSPICUOUS AREA FOR DELETERIOUS ACTION BEFORE USING.

***CAUTION: KEEP OUT OF REACH OF CHILDREN.***

Read all cautions and directions before handling. Please refer to Material Data Sheet for additional information. Use extreme caution when using this product. Can be harmful if swallowed. If ingested, consult a physician immediately. Avoid contact with skin, clothing, and eyes. Always use OSHA approved goggles, gloves, and other protective clothing when using this product. For accidental eye spills, flush with water for 15 minutes. If irritation persists, contact a physician. For skin contact, flush with plenty of water.
